About IIC

IIC fosters the culture of Innovation and Entrepreneurship in the Institute. Students participate in activities organized by Ministry of Education with the aim to innovate and develop creative solutions for the nation's problems.

Vision

To cater the needs of students as well as faculty entrepreneurs with innovative ideas of social relevance and there by disseminating a culture of entrepreneurship in campus which will boost our education system and there by growing the national economic and social development"

Mission

To develop a system with required infrastructure that can enable students and faculty to innovate and prototype their ideas with industrial standards and support from Government, industry and reputed academic institutions around the country and help them to realize their potentials"

Objectives

- To foster the 'Culture of Innovation' in the Institute.
- To promote innovative business ideas.
- To orient the students about entrepreneurship and assist them to initiate a start-up.
