

**Name** : **RITIKA SRIVASTAVA**  
**Designation** : Asst. professor  
**Qualification (pertinent)** : M.Pharm (Pharm. Chemistry)  
**Experience (years)** : 2 years  
**Areas of Interest** : Organic chemistry, Medicinal chemistry, Drug design  
**Total Publications** : 3

**Selected Publications** :

1. Plants Explored with Anti-diabetic Properties: A Review, American Journal of Pharmacological Sciences, 2015, Vol. 3, No. 3, 55-66. ( DOI:10.12691/ajps-3- 3-2).
2. Preliminary Pharmacognostic and Phytochemical Studies on leaves of Artocarpus heterophyllus, International Journal of Natural Products and Marine Biology, 2015, Vol. 1, Issue No. 1, 35-40.
3. Hepatoprotective activity of Artocarpus Heterophyllus Lam. Leaves against Thioacetamide Induced Hepatotoxicity on Wistar Albino rats, International Research Journal of Pharmacy, 2016, 7 (4). (DOI: 10.7897/2230-8407.07434).

**Patents & Industry Consultancy** : M.pharm project from CSIR-CIMAP
