#### **REPORT**

Theme : ICH Guidelines- Session Series V

Organized by : Krupanidhi College of Pharmacy, Bengaluru.

Date and time : 07-08-2017 to 11-08-2017, 01:00 pm -04:00 pm

Venue : Seminar Hall Krupanidhi College of Pharmacy,

Bengaluru.

#### Day 1 & 2:

Krupanidhi College of Pharmacy (KCP) has organized an IPR session on the topic ICH Q7Guidelines – Process on harmonization. The speaker of the session was Dr Ravindran R.

The programme was inaugurated by Dr. Amit Kumar Das, Principal, Dr. MD Karvekar, Academic Director, and Prof PV Mallya, CPPA Director, Krupanidhi College of Pharmacy. The speaker highlighted on quality of biotechnological product, its viral safety and analysis. The staffs of Krupanidhi Pharmacy College have attended the session. The session was successfully organized.

Session of Dr Ravindran R

#### Day 3:

Krupanidhi College of Pharmacy (KCP) has organized an IPR session on the topic ICH Efficacy Guidelines — Process on harmonization. The speaker of the session was Mr. Nitin V. The programme was inaugurated by Dr. Amit Kumar Das, Principal, Dr. MD Karvekar, Academic Director, and Prof PV Mallya, CPPA Director, Krupanidhi College of Pharmacy. The speaker highlighted on GCP guideline and clinical safety protocol. The staffs of Pharmacy College have attended the session. The session was successfully organized.

Mr. Nitin V lectured on ICH Efficacy Guidelines - Process on harmonization

#### Day 4 & 5:

Prof. Prakash V Mallya, Director Center for Pharmaceutical Professional Advancement delivered a scholarly seminar on the topic "Introduction, Basics, Overview of Pharmaceutical Regulatory Affairs". The topics covered the various regulatory agencies around the world such as FDA, MHRA, EMEA, CDSCO, Health Canada. He elaborated the commonalities and differences among the various agencies. Prof.Mallya also explained the role of ICH& WHO in harmonizing the drug regulatory affairs between USA, Europe and Japan. He highlighted the importance of the important documents such as CTD and e-CTD. He pointed out the punitive actions undertaken by agencies like FDA such as the dreaded clause 483. The participants

included KCP teaching staff, IV B.Pharm, M.Pharm, III&IV Pharm D. The informative seminar was appreciated by the participants. At the end, there was a productive Q& A session with the participants and feedback was taken. The feedback showed that most of the participants gave an excellent rating for the seminar.

Prof PV Mallya addressing the staffs

Theme:

Approaches of statistical tools and techniques

inPharmaceutical sciences

Organized by

Krupanidhi College of Pharmacy, Bengaluru.

Date and time

.

04.09.2017 to 08.09.2017, 01:00 pm - 04:00 pm

Venue

Seminar Hall Krupanidhi College of Pharmacy,

Bengaluru.

Day 1

Analysis and basic statistics. The speaker of the session Dr. Shivalinga Gowda, PES College of Pharmacy. The programmewas inaugurated by Dr. Raman Dang, Principal, Prof PV Mallya, CPPA Director, and Dr. Thomas, Krupanidhi College of Pharmacy. The session was focused on the use of basic statistical parameters in the interpretation of the data. The staff of Pharmacy College has attended the session. The session was successfully organized.

Session of Dr. Shivalinga Gowda

#### Day 2:

Krupanidhi College of Pharmacy (KCP) has organized an IPR session on the topic **Design of experiments in Pharmaceutical Formulations**. The speaker of the session was Prof R Chandramouli. The programme was inaugurated by Dr. MD Karvekar, Academic Director, and Prof PV Mallya, CPPA Director, Krupanidhi College of Pharmacy. The speaker highlighted on quality of biotechnological product, its viral safety and analysis. The staff of Pharmacy College has attended the session. The session was successfully organized

#### Day 3:

Krupanidhi College of Pharmacy (KCP) has organized an IPR session on the topic **Research** methodology. The speaker of the session was Dr. SV Rajendra. The programme was inaugurated by Dr. Amit Kumar Das, Principal, Dr. MD Karvekar, Academic Director, Prof PV Mallya, CPPA Director, and Prof. Narendra, Campus Registrar, Krupanidhi College of Pharmacy. The seminar guided the faculty on generation of hypothesis, review of literature, data collection, interpretation and presentation. The staff of Pharmacy College has attended the session. The session was successfully organized.

Session of Dr. SV Rajendra

#### Day 4:

Masterly talk by Mr. Rajendran, CEO Green Chem Herbal Formulations. The concept of innovation and patent was well articulated and explained. The benefits of herbal medicine and their synergistic action when used with synthetic medicine was well illustrated. The seminar was great learning experience for young inquisitive minds to further enrich their intellectual capacities. The participants included teaching staff from Krupanidhi Educational Trust and IV B.Pharm, III B.Pharm, III Pharm D, V Pharm D. The informative seminar was appreciated by the participants. At the end, there was a productive Q&A session with the participants and feedback was taken. The feedback showed the most of the participants gave an excellent rating.

Bangalo

Prof PV Mallya felicitate Mr Rajendran

#### Day 5:

Krupanidhi College of Pharmacy (KCP) has organized an IPR session on the topic Application of statistics in pharmaceutical research. The speaker of the session wasDr. MD Karvekar, Academic Director. The programme was inaugurated by Dr. Amit Kumar Das, Principaland Prof PV Mallya, CPPA Director, Krupanidhi College of Pharmacy. The topic covered the various parametric, non parametric test on pharmaceutical data using Microsoft excel and Graph Prism software. The staff of Pharmacy College has attended the session. The session was successfully organized.

# Awareness Workshop on IPR, Patents and Patentability Assessment Seminar Reports

#### Day 1:

The resource persons for the sessions were Shri. SafikhS (Technical Officer, KSCSTE, Trivandrum), Adv. FebinJames (Trade mark Attorney & Partner, LegalitesIP Services, Thrissur) and Shri. Afsar S (Patent Attorney, Banglore). It created a great impact on the entire audience. Students were taught on how IPR restricts copying othersideas and how this will help the development of new ideas for the betterment of the society. Students learnt how IPR provides total control over a new innovation and its creator. They were also given a platform to discuss how small innovations influence societies at large and how they should indulge in innovating and patenting ideas that will be useful for all the classes of individuals in the society.

#### Day 2:

A seminar on IPR (Intellectual Property Rights) was conducted. The seminar was conducted by the initiative took by pharmacy department. The class was lectured by Prof. Sherin Sam Jose who is head of the department of mechanical engineering (automobile) in Amal Jyothi College, Kanjirapally. Prof. Sherin gave a wonderful seminar on IPR and shared his life experiences with the students which was taken warmly by them. The session was a motivating experience for the students and was concluded by 3.30 pm.

Cillia

Prof. Sherin Sam Jose addressing the session

PRINCIPAL
Krupanidhi College of Pharmacy
Chikkabellandur, Carmelaram Post,
Parthur Hobil, Bangalore - 560 03

Day 3:

The KCP has setup an IPR Cell that has taken the task of creating awareness aboutIntellectual Property Rights amongst faculty and students of the Institute with supportfrom Industry Resources in the form of the IPR Chair. India has become a member of theglobal patent regime but awareness and expertise on the subject of Intellectual propertyRights (IPR) in the academic institutions is still inadequate. To apply for registration of IP, the faculties and students are required to observe confidentiality in relation to suchinformation though as a Institute the

purpose is to disseminate of information and thebuilding of the research base. Maintenance of a proper balance and fine tuning ofacademic excellence with academic integrity and protection and exploitation ofintellectual property rights is becoming very important for the institute. In the currentscenario the aggressive and targeted creation of intellectual property is the need of thehour. Protection of IPR and its commercialization propagates innovative culture, profitability, market leadership and helps creation of wealth for the individual andeventually the Nation. For that IPR awareness is required which is significant for fruitfulgrowth of the Intellectual property rights(IPRs).

Speaker addressing the session

College Part Colle

#### Day 4 & 5:

The core area of the seminar is Intellectual Property Rights in Business. To understand the significance of the components of the IPR and using it effectively as a main part of business strategy is vital to attainment in the market place. Business need the IPR to protect productionsecrets or other useful information and continue forward of the competition. Digital Economy

rewards those enterprises that are creative, innovative and understand the importance of the market for ideas. The Intellectual Property Rights provides the formal framework for protectingtheir knowledge, creativity & Description. To maximize the potential provided the IPR one hasto think beyond exclusive rights to IP assets

## WORKSHOP ON COMPUTER AIDED DRUG DELIVERY SYSTEM REPORT

#### Day 1

A Five day workshop on 'Computer Aided Drug Delivery System' was formally inaugurated, on 31/3/18, at 10 a.m. The venue was the seminar hall of Krupanidhi College of Pharmacy, Bengaluru (KCP). The Chief Patron of the inaugural ceremony was Prof. Dr. Suresh Nagpal, Chairman, Krupanidhi Educational Trust (KET). Dr. M.D. Karvekar, Director, Academics, KCP, Prof. Prakash Mallya, Director CPPA, KCP, Dr. Amit Kumar Das, KCP, Resource persons, teachers from KCP and across Karnataka State attended the function. The Chairmen, Dr. Suresh Nagpal spoke about the changes in technology.
