## REPORT ON DUET DANCE (SPLIT SCREENS) COMPETITION

### REPORT

**Date and time:** 17/02/2018

**Venue:** Food court, KCP

Krupanidhi College of pharmacy organised Duet dance competition on 17th February, 2018 at Food Court, Krupanidhi College of Pharmacy. Dance has such a transformational effect on people that it's been dubbed "*one of the purest and most creative forms of self-expression*". If we try to define the word "*dance*" we may say that it is the physical expression of relationships, sentiments, and ideas via movement and rhythm. We created a dance duet competition for B.Pharm, M.Pharm, and Pharm D students to honour their love for dancing. There was an overwhelming participation from the students and the best of them were declared as winners.

FRESHERS DAY 2018

REPORT

Date and time: 18/11/2017

Venue: Food court, KCP

**"Fresher's Day"** in any college is an event which every student eagerly awaits from their time of admission. The 18th of November 2017-18 was as a memorable day in the life of every fresher of B.Pharmacy batch 2017-18 at Food Court, Krupanidhi College of Pharmacy. The fresher's day was filled with excitement, joy, music, enthusiasm, laughter and happiness.

The dress code for the fresher's day was *"dress your best"*. The celebration started at sharp 1730 hour at the Auditorium by our anchors with the warm welcome of all the dignitaries and the jury present in the function. This was followed by the Saraswati pooja and lamp lightening by the Dignitaries. Followed by this the welcome speech was given by anchor, and the fresher were formally welcomed into the KCP Family, the jury and other guests of honors were also introduced. Events started with solo singing performances by some of the best singers of second year. After this all the other participants of this great evening came up with their unique ramp walk in pairs.

Both the anchors went up to the audience and asked them random question which any one would answer. All of them enjoyed a lot. After this, all the 15 participants came up on the stage with their hidden talent and performed one by one. Second round of performances went on very well. Two dance teams performed after this, which provided jury with sufficient time for deciding the results. The dance performances were very much exciting to watch.

After the dance performance, results were declared and out of 15 contestants, 8 of them including 4 boys and 4 girls were finally selected for the final question-answer round. The jury asked some mind twisting questions and some of them were able to tackle them very well. This question round took place twice. This was the final stage and after which all the 8 contestants were eagerly waiting to know the results. Once the results were out, it was the stage of achievement for the contestants.

All awards were given by the jury to the respective students, with the trophies to all, including sachets and gifts for Mr. and Mrs. Fresher along with the trophies. Finally, the vote
