## DEBATE COMPETITION

### REPORT

**Date:**26/02/2019

**Venue:**Seminar Hall, KCP

Debate is a social way of expression your point of view on a topic. And it teaches students how to accept different point of views of theirs and others in the same topic. They learn agree to disagree, may find a way to solve an issue, learn how to compromise with others. Debates have historically occurred in public meetings, academic institutions, debate halls, coffeehouses, competitions, and legislative assemblies. Debate has also been conducted for educational and recreational purposes, usually associated with educational establishments and debating societies. These debates put an emphasis upon logical consistency, factual accuracy, and emotional appeal to an audience. Modern forms of competitive debate also include rules for participants to discuss and decide upon the framework of the debate.

This year the Debate Competition was held at Seminar Hall, Krupanidhi College of Pharmacy. All the participants were extraordinarily skilled. One could actually see the future leaders in the contestants. The decisions of the judges were final. There were no foul plays. All the participants were students with equal caliber and potential but in the end, some stood out shining brighter than the others. The prizes were given away by the honorable director Sir, who talked about a few memories from his college days.

**GALENICAL – 2018 FRESHER'S DAY**

## REPORT

**Date and time:**01/09/2018

**Venue:**Athenaeum auditorium, KCP

The morning of 1st September 2018 saw the campus premises glow in the light from the smiling ecstatic faces of the new entrants of Krupanidhi College of Pharmacy family.

As Galenical 2018, we celebrated the start of transformation of these raw souls into veterans of future. It was an astounding day filled with blessings from Vice-chairperson Mrs. Geeta Nagpal, motivation and love from Chairman, Prof Dr. Suresh Nagpal and words of guidance from the chief guest Dr. Sunil S Chiplunkar – Vice President Juggat Pharma.

The flow of talent on stage was immense and the spirits set high and environment euphoric as the cultural event took over bringing in marvelous dancers, singers and actors from all years of study together.

The cherry on top was the Mister/Miss Fresher Competition where out of 20 participants Ms Anisha Swain from 1st year Pharm D and Mr. Ashish Mathew from 1st M.pharm took away the Miss and Mister Fresher title for the year 2018.

It was no less than a spellbindingly beautiful day for the entire KCP family.

**KCP TEACHERS' DAY 2018**

## REPORT

**Date and time:** 05/08/2018

**Venue:** Seminar Hall, KCP

5<sup>th</sup> of September has always been a day of auspicious celebration in Krupanidhi College of Pharmacy. This year was even more special because the day started with a small gathering amongst the staff where we took the opportunity of felicitating the Chairman, Prof. Dr. Suresh Nagpal, Director CPPA Prof. Prakash V Mallya and Dr. Amit Kumar Das, Principal KCP, for being the guiding light and motivation to the staff in their endeavor to shape the student future. The environment got nostalgic as senior staffs shared their most cherished memories with one another. It was a day where KCP staff awakened the sense of oneness once again.

Post lunch the students from various classes had different games and other fun activities planned up for the teachers. They definitely got to see the child side of their mentors on this day. The teachers enjoyed every bit of the love showered upon them. The flamboyantly decorated classrooms, flowers and cards spoke of the celebration made and the feast on cakes and snacks never stopped.

Although it is not something that is spoken about every day, the efforts made by the students was heart touching and each teacher felt special. It gave both students and teachers memories to cherish for lifetime.
