### MONO-ACTING COMPETITION REPORT

The goal of this event is to give students a chance to show off their abilities and originality, as well as to inspire them to understand theatre as a type of literature and treasure its beauty in language and emotions. It can also assist students in exploring theatre as a collaborative activity, in addition to self-improvisation. Students learn to be self-reflective, collaborative, politically socially involved, and culturally aware citizens via mono acting. Mono as an art form is open to anyone since anybody may contribute. On May 6th, 2021, KCP students competed in a talent hunt competition. An online art competition was held for students D.Pharm, B.Pharm, M.Pharm, and Pharm D. Participants were imitating the machine sounds and famous people's remarks.

### SOLO DANCE COMPETITION REPORT

Dance, as we all know, has no limits; it is something that everyone can experience, understand, and most importantly, enjoy. 'Dance is the thrill of movement and the beating heart of life,' says one dancer. The most energetic and expressive way to wash oneself is via dance. The students praised those who were watching. It was one thing to dance with your feet, but it was quite another to dance with your heart. Students selected the finest songs for their dances, and a solo song dance competition was held in a Zoom conference. On May 6th, 2021, the recorded video was submitted on the provided link, along with the participant's name and class. The Judges' ruling was final and binding.
