Date: 25/11/2017

CIRCULAR

All the faculty members are hereby informed that Krupanidhi College of Pharmacy is organizing five days seminar on FDP program on Computational Approaches to Drug Discovery and request the staff to register and participate.

Venue: Pharmacy Seminar Hall, Krupanidhi College of Pharmacy, Bengaluru

Time: 1-4pm

Topics:

Design of experiments - 04.12.2017

Computer modelling and PK- PD correlation - 05.12.2017

New Drug Discovery and their chemical approaches - 06.12.2017

Chemotherapy and Drug Discovery - 07.12.2017

Bioinformatics in Biologics - 08.12.2017

COMPUTATIONAL APPROACHES TO DRUG DISCOVERY REPORT

Day 1

A Five day workshop on 'Computer Aided Drug Delivery System' was formally inaugurated, on 31/3/18, at 10 a.m. The venue was the seminar hall of Krupanidhi College of Pharmacy, Bengaluru (KCP). The Chief Patron of the inaugural ceremony was Prof. Dr. Suresh Nagpal, Chairman, Krupanidhi Educational Trust (KET). Dr. M.D. Karvekar, Director, Academics, KCP, Prof. Prakash Mallya, Director CPPA, KCP, Dr. Amit Kumar Das, KCP, Resource persons, teachers from KCP and across Karnataka State attended the function. The Chairmen, Dr. Suresh Nagpal spoke about the changes in technology. Dr. Karvekar appreciated KCP's efforts in pursuing and getting the workshop organized, which he told was the first of its kind in the nation. Prof. Mallya elaborated on technology driven Pharma industry.

The day one technical session began with Mr. Sudheer Babu Kolla, Head ARD, GVK Bio, giving an erudite talk with lucid examples on design of experiments applied to discriminatory dissolution study.

Inauguration Function

Was Jour St. N

Chikkabellandur, Carmelaram Post, Varthur Hobii, Bangalore - 560 035

Day 2:

The speaker Mr. Sudheer Babu Kolla, Head ARD, GVK Bio delivered a brilliant seminar on computer modelling and PK-PD correlation on day 2 of the FDP program. He explained relations of the pharmacokinetic and pharmacodynamic properties of the drug.

Session by Mr. Sudheer Babu

Day 3:

The Speaker of the session Dr. M. Zainuddin, Director ADME/DMPK, Jubilant Biosis, Bangalore. He delivered a information on New Drug Discovery and their chemical approaches.

Session by Dr. M. Zainuddin

Chikkabellandur, Carmelaran

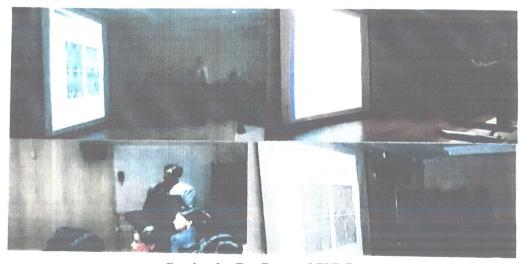

(///o/12//pp/o/dd | 100 300 1 20 10 0

Day 4:

Dr. Pramod K P R, Director of Bangalore Cancer Centre, had given session on topic Chemotherapy **and Drug Discovery**. He explained the success of software for new drug molecule and delivery system. He elaborated the approaches for development of better chemotherapeutic agents.

Session by Dr. Pramod KPR

Day 5:

Ms. Bhavya, Senior Scientist, PPD (MNC, CRO) gave a illuminating talk on the topic **Bioinformatics in Biologics**. She explained the importance of gene expression study in the drug discovery.

Session by Ms. Bhavya

Faculty Development Programme on "Website Training"

Date: 19th to 23rd Feb, 2018

Place: Computer Lab

Resource Person: Mr. Prabal Biswas, IT Head, ASD Solutions.

Event Report:

Objectives:

To teach the professors how to use Wordpress to update their websites.

 To provide hands-on WordPress training and to introduce troubleshooting solutions.

A Website Training Session was held by KCP. The new website was built with Wordpress and a Content Management System (CMS). The website is managed and updated by all of the computer science professors, who are provided training and help. Mr. Prabal Biswas, IT Head, ASD Services, the resource person, focused on website troubleshooting possibilities.

Outcomes:

Faculty were given their own login ids and were able to make changes to the website using WordPress.

The Event was ended with thanking the resource person and the participants.

Place: Seminar Hall

Resource persons: Dr. Badrunnisa S

A good educational practice the session was very interactive. Group discussions and analysis were carried out to elicit the factors which are to be given prime focus of teaching learning process in the coming years. The session foreseen that it is very urgent to - define quality in terms of the outcomes, promote student centric learning approaches, practice a blended learning and incorporate ICT tools. The consultants also gave an insight that there should be quality benchmarks for assessing the practices and strategies for improvements. There must be proper steps at the departmental level to encourage students' teaching innovations. Team work must be promoted so that it will make everyone accountable for the success of students. Departments should have course evaluation and teaching evaluation by the students. All the assessment should be aligned with learning objectives. The resource persons also brought the attention of the participants in evolving best academic practices and adapt the best to their own circumstances. The session inspired the faculty members to share best practices and help raise the bar for their departments and make continuous improvement a priority.

FDP on "innovative teaching methodology"

Date: 07.02.2018 to 12.02.2018

Place: Seminar Hall

Resource Person: Dr.Shivakanth Shetty

Event Report:

A Five Day Faculty Development Program was organised by KCP on "INNOVATIVE TEACHING METHODOLOGY".

The topic resource person covered in 5 days are –

- INSTRUCTOR/TEACHER CENTRED METHODS.
- LEARNER-CENTRED METHODS
- CONTENT-FOCUSED METHODS
- INTERACTIVE/PARTICIPATIVE METHODS

The Resource person started the session by asking an interesting question why you chose this profession. What do you think that makes you a global teacher? A teacher takes hand, opens mind and touches heart and is cognitive and effective. She explained the role of the teacher. She explained the four pillars of learning namely learning to know, learning to live together, learning to do and learning to be. She showed the learning pyramid and explained the average learning retention rates. She clearly explained where these teachers fit into in Bloom's Taxonomy. She

Also described the strategies like Create, Evaluate, Analyse, Apply, Understand and Remember. She also described the strategies like Talk by experts, use of

Varthur Hobii, Bangalore - 560 035

ICT and Flipped classroom and use of field trips to make the teaching pedagogy more students centring.

He briefed about the All India Survey of Higher Education (AISHE) which needs to be concentrated on Education, Quality, Equity, Affordability, Accessibility and Accountability. She explained 4 determinants of Global competence which comprised Knowledge, Cognitive skills, social skills & attitudes. She also spoke about the expectation of the learners through acronym SAGE which means Students' Choice, Authentic Experiences, Global Significance and Exhibiting to a real audience.

The faculty members actively participated in the program with great interest and the session made a stamping impression in the minds of the audience. The faculty members got their queries and doubts solved at the end of the session. It was a very useful and thought-provoking and let the faculty members to interact themselves in to the professional requirements and made their way easy to face the challenges and complexities of the teaching in the higher education.

t the end of the session Dr.Paramita Das Professor proposed vote of thanks.

Reagents and Its preparation

Reagent is an integral part of any chemical reaction. A reagent is a substance or compound that can facilitate a reaction and they are used in most widely used tests. The non teaching staff has been given intensive training on its usage and preparation in the laboratory to perform various chemical tests.

Waterbath

A Waterbath is a device that maintains water at constant temperature. It allows heating of small fluids over a period of time without changing the concentration of constituents by evaporation. The non teaching staff has been given intensive training Waterbath and its usage in the laboratory.

Mr. Nitin V lectured on ICH Efficacy Guidelines - Process on harmonization

Day 4 & 5:

Prof. Prakash V Mallya, Director Center for Pharmaceutical Professional Advancement delivered a scholarly seminar on the topic "Introduction, Basics, Overview of Pharmaceutical Regulatory Affairs". The topics covered the various regulatory agencies around the world such as FDA, MHRA, EMEA, CDSCO, Health Canada. He elaborated the commonalities and differences among the various agencies. Prof.Mallya also explained the role of ICH& WHO in harmonizing the drug regulatory affairs between USA, Europe and Japan. He highlighted the importance of the important documents such as CTD and e-CTD. He pointed out the punitive actions undertaken by agencies like FDA such as the dreaded clause 483. The participants

Krupanidhi College of Pharmacy Chikkabellandur, Carmelaram Post, Varthur Hobli, Bangalore - 560 035

included KCP teaching staff, IV B.Pharm, M.Pharm, III&IV Pharm D. The informative seminar was appreciated by the participants. At the end, there was a productive Q& A session with the participants and feedback was taken. The feedback showed that most of the participants gave an excellent rating for the seminar.

Awareness workshop on IPR, Patents and patentability Assessment

Date: 28/10/2017

CIRCULAR

This is to inform the entire faculty member that Krupanidhi College of Pharmacy is organizing five days Awareness Workshop on IPR, Patents and Patentability Assessment and request the staff and students to register and participate.

Venue: Pharmacy Seminar Hall, Krupanidhi College of Pharmacy, Bengaluru

Time: 1-4pm

Topics:

Academic Perspective of Innovation and Intellectual Property Rights-07/11/2017

Patents and Patentabilityassessment-08/11/2017

Outline to Intellectual Property Rights-09/11/2017

Intellectual Property Rights and Business Competitiveness in The Digital World-10/11/2017& 11/11/2017

PRINCIPAL

Dr Amit Kumar Das

Awareness Workshop on IPR, Patents and Patentability Assessment Seminar Reports

Day 1:

The resource persons for the sessions were Shri. SafikhS (Technical Officer, KSCSTE, Trivandrum), Adv. FebinJames (Trade mark Attorney & Partner, LegalitesIP Services, Thrissur) and Shri. Afsar S (Patent Attorney, Banglore). It created a great impact on the entire audience. Students were taught on how IPR restricts copying othersideas and how this will help the development of new ideas for the betterment of the society. Students learnt how IPR provides total control over a new innovation and its creator. They were also given a platform to discuss how small innovations influence societies at large and how they should indulge in innovating and patenting ideas that will be useful for all the classes of individuals in the society.

Day 2:

A seminar on IPR (Intellectual Property Rights) was conducted. The seminar was conducted by the initiative took by pharmacy department. The class was lectured by Prof. Sherin Sam Jose who is head of the department of mechanical engineering (automobile) in Amal Jyothi College, Kanjirapally. Prof. Sherin gave a wonderful seminar on IPR and shared his life experiences with the students which was taken warmly by them. The session was a motivating experience for the students and was concluded by 3.30 pm.

Day 3:

The KCP has setup an IPR Cell that has taken the task of creating awareness aboutIntellectual Property Rights amongst faculty and students of the Institute with supportfrom Industry Resources in the form of the IPR Chair. India has become a member of theglobal patent regime but awareness and expertise on the subject of Intellectual propertyRights (IPR) in the academic institutions is still inadequate. To apply for registration of IP, the faculties and students are required to observe confidentiality in relation to suchinformation though as a Institute the

purpose is to disseminate of information and thebuilding of the research base. Maintenance of a proper balance and fine tuning ofacademic excellence with academic integrity and protection and exploitation ofintellectual property rights is becoming very important for the institute. In the currentscenario the aggressive and targeted creation of intellectual property is the need of thehour. Protection of IPR and its commercialization propagates innovative culture, profitability, market leadership and helps creation of wealth for the individual andeventually the Nation. For that IPR awareness is required which is significant for fruitfulgrowth of the Intellectual property rights(IPRs).

Speaker addressing the session

College Part Colle

Day 4 & 5:

The core area of the seminar is Intellectual Property Rights in Business. To understand the significance of the components of the IPR and using it effectively as a main part of business strategy is vital to attainment in the market place. Business need the IPR to protect productionsecrets or other useful information and continue forward of the competition. Digital Economy

rewards those enterprises that are creative, innovative and understand the importance of the market for ideas. The Intellectual Property Rights provides the formal framework for protectingtheir knowledge, creativity & Department of the IPR one hasto think beyond exclusive rights to IP assets

WORKSHOP ON COMPUTER AIDED DRUG DELIVERY SYSTEM REPORT

Day 1

A Five day workshop on 'Computer Aided Drug Delivery System' was formally inaugurated, on 31/3/18, at 10 a.m. The venue was the seminar hall of Krupanidhi College of Pharmacy, Bengaluru (KCP). The Chief Patron of the inaugural ceremony was Prof. Dr. Suresh Nagpal, Chairman, Krupanidhi Educational Trust (KET). Dr. M.D. Karvekar, Director, Academics, KCP, Prof. Prakash Mallya, Director CPPA, KCP, Dr. Amit Kumar Das, KCP, Resource persons, teachers from KCP and across Karnataka State attended the function. The Chairmen, Dr. Suresh Nagpal spoke about the changes in technology. Dr. Karvekar appreciated KCP's efforts in pursuing and getting the workshop organized, which he told was the first of its kind in the nation. Prof. Mallya elaborated on technology driven Pharma industry.

The day one technical session began with Mr. Sudheer Babu Kolla, Head ARD, GVK Bio, giving an erudite talk with lucid examples on design of experiments applied to discriminatory dissolution study.
